## **CUSTOMER NOTICE**

January 18, 2008

3U Telecom, Inc.  
2654 W. Horizon Ridge Pkway  
Henderson, NV 89052

**IMPORTANT NOTICE REGARDING YOUR COMMUNICATIONS SERVICE**

Dear T-Systems Customer:

We are pleased to share some news about your communications service provider. Beginning on or about February 18, 2008, as a result of an internal corporate reorganization, your communications service will be provided by Deutsche Telekom North America, Inc. ("DTNA"), a wholly-owned subsidiary of your existing service provider, T-Systems North America, Inc. ("TSNA"). As the new name indicates, you will remain part of the T-Systems/Deutsche Telekom family of companies and a customer of a proven communications company providing international and interstate high-capacity transport and private network services to other communications carriers and enterprise customers.

**No action on your part is required.**

Your services will not be affected. There will be no fees or charges applied in connection with the transfer of your service. You will continue to receive communications services at the same rates, terms and conditions specified in your existing contract with TSNA or, where applicable, pursuant to applicable tariffs. DTNA will notify you of any future changes in rates, terms and conditions of service as required by the terms of your existing contract or by law.

TSNA anticipates that the date for the transfer will be February 18, 2008, provided that the necessary regulatory approvals have been obtained. As of that date, DTNA will become your service provider. TSNA is confident that you will find that remaining with us is the smart choice to meet your needs; however, we realize that you have a choice of telecommunications carriers, and you may choose another carrier at any point. If you have not notified us that you have arranged with another carrier for service to commence on or before the date DTNA becomes your carrier, you will automatically become a DTNA customer. Please note that if you have a term contract with TSNA, you will still be responsible for any applicable early contract termination charges if you choose a service provider other than DTNA.

To the extent that you are a customer that could have placed a "freeze" on your TSNA services to prevent their unauthorized transfer to another carrier, it will be automatically lifted to implement the transfer to DTNA. If this is the case, DTNA will reestablish freeze protection for you upon request after the transfer.

If you have any questions or concerns with respect to service needs, complaints or billing issues, you can visit [www.t-systems.com](http://www.t-systems.com) or call 732-936-4420.

We look forward to continuing to provide service to you!
